

NOTICE
PUBLIC SCOPING MEETING
for the
NORTH SAN JOSÉ DEVELOPMENT POLICIES PROJECT
Environmental Impact Report

The Department of Planning, Building and Code Enforcement of the City of San José will hold a Public Scoping Meeting for an Environmental Impact Report (EIR) to describe the proposed project and the environmental review process and to obtain your input on the EIR analysis for the proposal. This EIR Public Scoping Meeting will be held in compliance with the California Environmental Quality Act (CEQA), as amended.

The EIR Public Scoping Meeting will be held:

When: Tuesday, November 30, 2004
6:30 p.m.
Where: Planning Department Meeting Room
City Hall Room 106E
801 North First Street, San Jose
(on the northwest corner of North First Street and Mission Street)

You are welcome to attend and give us your input on the scope of the EIR so that it addresses all relevant environmental issues. The project for which the EIR is being prepared is:

**Modification of City Policies to provide additional development capacity for the potential future development of up to 26.7 million square feet of new industrial office building space, 24,700 new residential units and supporting infrastructure improvements within the North San Jose area. Additional information available at <http://www.sanjoseca.gov/planning/nsj/>
Council District: 3&4**

Comments and questions regarding the EIR should be referred to Andrew Crabtree of the Department of Planning, Building and Code Enforcement (408) 277-4576.
